Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA code) together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matters

Without modifying our opinion, we would advise the management to ensure compliance with the issues described under Emphasis of matters with immediate action.

- 1. The company reported Dividend Payable Tk. 6,811,912 which includes 751,513 transferable to the Capital Market Stabilization Fund (CMSF) as directed by the Bangladesh Securities and Exchange Commission's directive no. BSEC/CMRRCD/2021-386/03 dated 14 January 2021 and Bangladesh Securities and Exchange Commission (Capital Market Stabilization Fund) Rules 2021 and Commission's letter no SEC/SRMIC/165-2020/Part-1/166 dated 06 July 2021 and Commission's letter no. SEC/SRMIC/165-2020/part-1/182 dated 9 July 2021. Beside this that, comparing the outstanding balance dividend payable, with the corresponding bank account held by the company, we noted the said bank account had a balance of BDT 168,728 not sufficient as on the reporting date to settle outstanding payable against dividend.
- During the audit at the company, we noted that the company made some payments against purchase and expenses in cash mode instead of A/C payee cheque or bank transfer which indicates violation of Income tax ordinance 1984 guideline.

- 3. As per the section 234 of the Bangladesh Labour Act, 2006, "Establishment of Workers Profit Participation Fund and Welfare fund" every company is to pay, within 9 (nine) months of the close of every year 5% of profit before tax and transfer to respective "Participatory Fund", "Welfare Fund" and "Workers Welfare Foundation fund" established under section 14 at the ratio of 80:10:10. But the company did not make payment during the year under audit.
- 4. The company have not yet introduced employee provident fund and Gratuity/Compensation benefit as per guideline of Bangladesh Labor Laws/Rules 2015, As such no provision have been made for these purpose, which is a non-compliance and misstatement in the financial statement.

Both of these expenses have increased significantly compared to corresponding expense recognized in the last year.

Determination of both current year income tax and deferred tax involves compliance with the Income Tax Ordinance (ITO) 1984 and latest finance act along with IAS 12: Income Tax.

Our audit responses adopted during the audit to address the risk identified comprise the following:

- Obtained and documented management procedures involved in determining both current year income tax and deferred tax.

Other Matter

Due to the outbreak of global pandemic "Covid-19" declared by the World Health Organization (WHO) and subsequent spread of the virus resulting in deteriorating situation in Bangladesh during the conduct of audit at the company, our audit procedures were mainly tailored to the material areas of the financial statements with more emphasis placed on obtaining documentary evidence from the company and testing their accuracy using the online platforms and limited physical verification to avoid the risk of getting contacted the virus and safety of audit team members.

Other Information

Management is responsible for the other information. The other information comprises all the information in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The companies Act, 1994 require the management to ensure effective internal audit, internal control and risk management factions of the company

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercised professional judgment and maintained professional skepticism throughout the audit. We also:

- Identified and assessed the risks of material misstatement of the financial statements, whether due to fraud
 or error, designed and performed audit procedures responsive to those risks, and obtained audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in circumstances.
- Evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Concluded on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosers are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
- Obtained sufficient appropriate audit evidence regarding the financial information of the entity to express an opinion on the financial statements. We are solely responsible for our audit opinion.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

We also provided those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicated with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We described these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determined that a matter should not be

communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Securities and Exchange Rules 1987 and relevant notifications issues by Bangladesh Securities and Exchange Commission, we also report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts, records and other statutory books as required by law, have not been kept by the Company so far as it appeared from our examinations of those books:
- c) The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns;
- d) The expenditures incurred were for the purpose of the Company's business.
